

# Bangalow Community Alliance Objectives

- To facilitate the informed consideration by the broad community of **issues important to the future of the Bangalow district** and the wellbeing of its residents.
- To ensure that the **views of the whole community** on issues affecting the wellbeing of Bangalow and its residents are **communicated clearly to the local, state and federal governments** and private organisations

# Bagalow Community Alliance Objectives

- To **support** and enhance the work of **community organisations and groups within the Bangalow** district.
- To **improve the services, amenities and opportunities** available to the **residents of Bangalow** and district.
- To **promote contact, cooperation and the sharing of information and resources** with **other community based organisations** and groups within Byron Shire, the Northern Rivers region, nationally and internationally
